To whom it may concern:

Please consider this my letter of recommendation and strong endorsement for Ana Mcinerney to be considered for admission to the Samuel Merritt BSN Program.

Currently, Ana is serving as an Assistant Nurse Manager in our Adult Medical/Oncology Inpatient Unit at Kaiser Hospital in Santa Clara. Her commitment to our patients and their families is exemplary.

Ana is passionate about her practice leading the oncology unit staff. She exhibits leadership attributes which are and will continue to be an asset to our organization. She constantly strives for process improvement with the delivery of patient care using an evidence based approach.
